MONIQUE JACOBS

Monique (Dillard) Jacobs currently lives in Rockford, IL, and was born and raised in Winnipeg, Manitoba (Canada). Her love of quilting was nurtured by Canadian relatives who taught her the art of handwork and sewing. Over the years Monique has published books with C&T Publishing, and has developed specialty rulers to make quilting easier and faster. In addition, Monique is a Craftsy instructor, and a featured designer for Bluprint’s exclusive fabric collections. Tips For Success

1. STARTUP LIBRARY: In need of a quick refresher? Check out our Startup Library: Quilting to find the skill you need — without having to search all over the internet. Explore quilting essentials in crystal-clear HD.

2. BLADE: Is your rotary blade sharp and ready? A sharp blade will require you to use less energy when cutting! If you see small threads still intact when you cut through your fabric, that’s a good indication it’s time to change your blade.

### CUTTING INSTRUCTIONS (BACKING)

From 6 Yards, cut:

- (2) 42” x 108” Rectangles

Cut selvages off and sew the 108” length together to make a piece approximately 84” x 108”
Pattern Instructions

**NOTE:** Match two of the cut up versions of your 1/4 yard cuts together. You can make 2 blocks per pair of 1/4 yard cuts.

**Block Assembly**

**STEP 1**
Using a matched pair, on the backs of the one of the 5” squares, draw a diagonal line from corner to corner. Place a drawn square, right sides together on a 5” square of the other fabric. Sew ¼” from both sides of the line. Cut on the line, open triangle and press towards one triangle to make a Half-Square Triangle. Square to 4 ½”. Repeat to make a total of 8 Half-Square Triangles per pair of fabrics.

**STEP 2**
Sew a matching pair of 2 ½” x 42” strips together along the length. Press in one direction. Cut strip set into 12 - 2 ½” segments. Rotate one and sew to another to make a Four-Patch, measuring 4 ½” square. Repeat to make 6 Four-Patches per pair of fabrics.

![Four-Patch Diagram](image2)

**STEP 3**
Sew the blocks together using the Half-Square Triangles from Step 1, the Four-Patches from Step 2 and the 4 ½” squares, as shown. The blocks should measure 12 ½” square including seam allowances. Make 2 blocks per pair as shown for a total of 36 blocks. Note that you only need 35 blocks; you will have an extra block.

**Pattern Instructions**

**STEP 4**
Sew the blocks together in 7 rows of 5 blocks each. Rotate every other block as shown. Press rows in opposite directions and press the rows down. The quilt top should measure 60 ½" x 84 ½".

**Finishing The Quilt**

**STEP 1**
Layer quilt top, batting, and backing. Baste. Quilt as desired.

**STEP 2**
Bind using the 3 prints designated for binding.
