### Needles and Notions

Long circular needle size **6.5mm (US size 10.5)**  
or size needed to obtain gauge

Tapestry needle for weaving in ends

### Gauge

Gauge is not critical – stitches are very open

### Instructions

With CC, cast on 275 stitches.

- Knit 2 rows.
- \*Change to MC and knit 12 rows. Change to CC and knit 2 rows.
- Repeat from \* 5 more times.

Bind off all stitches, a little loosely. With yarn threaded on a tapestry needle, weave in all ends. Cover with a towel and steam lightly (be careful not to touch the yarn directly with the iron).

Note: it is alright if the bind off row is just slightly tighter than the cast on side – it will create a nice wavy edge for the wrap when it hangs vertically.
